

The Coaches

Loulie

(A505334)

This Bully mix has such a natural penchant for leadership that her great ancestors would be proud of!

Fabio

(A332936)

This Domestic SH is very wise & loves being able to mentor the younger cats, whether on or off the field.

Frank

(A512665)

This Beagle's kennel mates have contemplated giving him a mouthful of peanut butter, so they recommended an announcer job.

Rita

(A511163)

This Domestic SH's never-ending love for chit chat got her one of the announcer gigs without even applying for the position.

Jackson

(A472704)

This Bully mix brings everyone cheer! He was one of only a few canines willing to wear a costume without making a ruckus.

Bianca

(A512985)

This Domestic SH's agility makes her a superb mascot, but more importantly, she loves psyching out the dogs on the opposing team.

The Crazy Fans

Pebbles

(A512341)

This JRT mix certainly is crazy: she lives for the Broncos & believes Payton Manning will marry her one day!

Stubs

(A492461)

This Domestic SH is similarly crazy: he roots for the SeaHawks & has been spotted being friendly with not only dogs but also birds!

Benny

(A500122)

This Chi mix could really care less about which team wins--he just loves all the free food & drinks he manages to get with his cuteness!

Vinny

(A512078)

This Domestic SH loves food and socializing, and thus, has become a natural tailgating king. His catnip brownies are always a huge hit.

Arlene

(A511972)

This Domestic SH loves to impress the crowd with all the routines she has mastered: meowing, catching catnip mice & cuddling!

Morris

(A511970)

This Domestic SH is a natural acrobat that does somersaults & other impressive gymnastics moves in the Kitty Condos.

The Bronco Players

Penelope

(A512720)

This Carolina Dog mix does a downright dandy job catching tennis balls, so the scouts decided she could do the same with a football.

Shadow

(A493374)

This Labrador mix is expected to use his brawn & intimidating looks to put the Hawks in a tizzy even before the whistle blows.

Mitchell

(A512699)

This Shepherd mix chose football instead of track only because he was offered an amazing dog-treats signing bonus.

Spooky

(A497423)

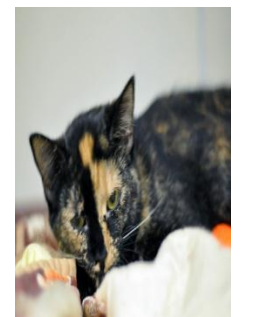

This Domestic SH's size, quick reflexes & agility are all expected to help him outmaneuver the competition.

Peony

(A514126)

This Domestic SH would love to get her claws on some catnip, but she decided a Bronco player would suffice.

Betty

(A491366)

This Domestic SH's lack of fear was seen as an impossible-to-ignore advantage in a game against the hounds.
